Date: 25<sup>th</sup> April 2026

## Circular- Three Language Formula

Dear Parents/Guardians,

In accordance with the latest circular issued by CBSE, all schools are mandated to strictly implement the Three-Language Formula from the academic session 2026–27. As per these directives, the study of two native languages has been made compulsory.

In compliance with the above, the school will adopt the following language structure with effect from 27 April 2026:

\* R1: English

\* R2: Hindi

\* R3: Sanskrit

In addition, French will now be offered as an optional fourth language in the school. Students interested in pursuing French may opt for it without it adding to the mandatory language requirements.

This step has been taken to ensure adherence to the prescribed guidelines while also providing students with the opportunity to learn an additional foreign language.

We seek your understanding and cooperation in facilitating the smooth implementation of this directive, keeping in view the larger academic and developmental interests of our students.

**Warm Regards**

**Principal**  
(Prashant Sharma)
