Summer Holiday Homework Programme

CLASS V

Session 2026–27

The Summer Holiday Homework has been thoughtfully designed to ensure a joyful, engaging, and holistic learning experience for our students. Instead of excessive written work, the programme focuses on developing reading habits, creativity, communication skills, experiential learning, research aptitude, and environmental awareness through interactive and meaningful activities.

The objective is to keep children intellectually active, emotionally engaged, and creatively enriched during the summer break while ensuring learning remains enjoyable and stress-free.
