Step – ORANGE MARIGOLDS

From the Desk of the Principal...

“After a refreshing summer break, we return with renewed energy and enthusiasm for learning.”

Dear Parents,

Greetings from BGSVS!

I hope you and your family had a joyful, restful, and refreshing summer break. As we warmly welcome our students back to school, the campus is once again vibrant with smiles, energy, and the excitement of new beginnings. The atmosphere is filled with enthusiasm as our learners return, refreshed and ready to embrace a new phase of learning.

After a well-deserved vacation, students are now gearing up to step back into structured routines, focused learning, and meaningful academic engagement. The months ahead are filled with opportunities for growth, discovery, and achievement across **studies, sports, functions, clubs, and many more activities** as we continue our academic journey together.

We understand that transitioning from holiday mode to academic discipline takes time and gentle guidance. Your encouragement at home will play a key role in helping children settle smoothly, rebuild study habits, and regain academic momentum with confidence and positivity.

Let us work together in partnership to ensure our students feel supported, motivated, and ready to give their best in the coming months. With shared efforts, we can help them grow into confident, responsible, and capable learners.
