## MOCK TEST (2026-27)

**Subject: General Knowledge**

**Step: V**

**Maximum Marks: 20 Marks**

**Name of Student**

**Time Duration: 1 hr. 20 min**

General Instructions:

- All questions are compulsory.
- Read all questions carefully before attempting.

|    |                                                                                                                                            |   |
|----|--------------------------------------------------------------------------------------------------------------------------------------------|---|
| 1. | <b>Deciduous trees shed their leaves during:</b><br><br>(a) Warm season<br>(b) Dry or cold season<br>(c) Rainy season<br>(d) Spring season | 1 |
| 2. | <b>What is the name of the world's largest seed?</b><br><br>(a) Coconut<br>(b) Mango Seed<br>(c) Coco de Mer<br>(d) Jackfruit Seed         | 1 |
| 3. | <b>Which bird is famous for weaving nests?</b><br><br>(a) Crow<br>(b) Weaver Bird<br>(c) Eagle<br>(d) Parrot                               | 1 |
| 4. | <b>A parrot uses its curved beak mainly for:</b><br><br>(a) Catching fish<br>(b) Crushing fruits and seeds<br>(c) Swimming<br>(d) Digging  | 1 |
| 5. | <b>The longest railway platform in the world is at:</b><br><br>(a) New Delhi<br>(b) Hubballi Junction<br>(c) Mumbai Central<br>(d) Chennai | 1 |
| 6. | <b>Evergreen trees generally grow in areas with:</b><br><br>(a) Heavy rainfall<br>(b) Very little rain<br>(c) Snow only<br>(d) Deserts     | 1 |

|            |                                                                                                                             |          |
|------------|-----------------------------------------------------------------------------------------------------------------------------|----------|
| <b>7.</b>  | <b>Which is the fastest-growing plant?</b><br>(a) Bamboo (b) Neem<br>(c) Mango (d) Tulsi                                    | <b>1</b> |
| <b>8.</b>  | <b>The first railway workshop in India was established at:</b><br>(a) Delhi (b) Hubballi<br>(c) Jamalpur, Bihar (d) Kolkata | <b>1</b> |
| <b>9.</b>  | <b>Wading birds with long legs and bent necks are:</b><br>(a) Ducks (b) Herons<br>(c) Owls (d) Doves                        | <b>1</b> |
| <b>10.</b> | <b>Which bird has the longest beak?</b><br>(a) Eagle (b) Pelican<br>(c) Crow (d) Sparrow                                    | <b>1</b> |
| <b>11.</b> | <b>Which colour signal indicates that a train must stop?</b><br>(a) Green (b) yellow<br>(c) Red (d) Blue                    | <b>1</b> |
| <b>12.</b> | <b>Evergreen trees usually have _____ leaves.</b><br>(a) Needle-like (b) Floating<br>(c) Broad and soft (d) Round           | <b>1</b> |
| <b>13.</b> | <b>The Giant Sequoia is the world's:</b><br>(a) Tallest Plant (b) Largest Tree<br>(c) Oldest Flower (d) Largest Fruit       | <b>1</b> |
| <b>14.</b> | <b>Long-necked birds living in wetlands are called:</b><br>(a) Storks (b) Eagles<br>(c) Pigeons (d) Sparrows                | <b>1</b> |
| <b>15.</b> | <b>Crows have claws meant for:</b><br>(a) Perching (b) Hunting<br>(c) Swimming (d) Digging                                  | <b>1</b> |

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |   |
