CIRCULAR- ADVANCE MATHS AND ADVANCE SCIENCE IN CLASS-IX

Dear Parents/Guardians,

This is to inform you that the CBSE has introduced Mathematics and Science in two levels effective from Academic Session 2026-27. In continuation, students who wish to study Mathematics-Advanced and Science-Advanced additional topics beyond the common syllabus are directed to submit their preference through the link: <https://forms.gle/sUc6vMXwgg1YCui88> on/before Monday, 28 September 2026.

The points to be noted before opting the Advance Level of Math/Science:

1. Mathematics Advanced and Science Advanced will be **optional**.
2. Students opting for the Advanced Level will take an additional examination **of 25 Marks (1 hour)** at a higher level, based on the prescribed content, in Annual Examination and Board Examination.
3. The examination in Mathematics and Science will be offered at two levels-Standard and Advanced at Class-IX (2026-27 onwards) and Mathematics Advanced and Science Advanced at class X (2027-28 onwards). Students can choose none/one/both subject/s at viz., Advanced Level, (none/Maths-Advanced/Science-Advanced/Maths-Advanced and Science-Advanced).
4. Candidates securing 50% and above marks, for the optional Advanced Examination shall have the following recorded in the marksheet: The Advanced Level has been successfully cleared (This text is tentative and may vary). However, the marks obtained in the Advanced Examination shall not be added to the overall aggregate or total score. In case a candidate secures less than the prescribed criteria, no reference to the Advanced Level shall be reflected in the marksheet.
5. This two-level structure will not apply to the Internal Assessments of 20 Marks in Mathematics and Science conducted at the School Level in Class-X.

For further queries/clarification, you may contact your respective Class Teachers.

The above is subject to change as per the notification(s) received by CBSE (as/when).

Warm Regards,

PRINCIPAL
