Song of the Month

Together We Shine

Hand in hand, we stand so tall,
Like the trees that never fall.
One small voice can start a song,
But together, we are strong.

Look at the sky, so wide and blue,
There is a dream for me and you.
Let's laugh out loud and play all day,
Sunshine follows where we stay.

We are friends from everywhere,
Love is something we can share.
Sing it loud for all to hear,
The world is bright when you are near.
