Helpers helpers all around,
In the city and the town!
They work hard every day,
Helping us in every way!

Doctor helps us when we are sick,
Makes us better quick quick quick.

Teacher helps us learn and grow,
Teaches us what we should know.

Helpers helpers all around,
In the city and the town!
They work hard every day,
Helping us in every way!

Postman brings the mail each day,
Letters and packages on their way.
Walking miles through rain or sun,
Delivering to everyone.

Helpers helpers all around,
In the city and the town!
They work hard every day,
Helping us in every way!

Police keep us safe each day
Watching traffic leading the way

Firefighters brave and strong
Saving lives all day long
Helpers helpers all around, In the city and the town! They work hard every day, Helping us in every way!
