CIRCULAR : ADVISORY FOR PARENTS

Dear Parents,
Greetings from St. Xavier's High School!

The safety of our students is our utmost priority. It has come to our notice that some students are coming to school on motorcycles and scooters without wearing helmets. We have also observed concerns regarding underage students driving two-wheelers.

In view of this, all parents are requested to strictly follow the provisions of the Motor Vehicles Act, 1988, and ensure the following:

1. Age Restrictions: Students below 18 years of age must not drive motorcycles or scooters on public roads.
Parents must not allow their minor children to operate motor vehicles illegally.

2. Helmet Compulsory: Both the rider and pillion passenger must wear properly fastened, BIS-compliant helmets.
Riding without a helmet is a violation under Section 129 of the Motor Vehicles Act.

3. Valid Driving Licence: Students must drive only after attaining the legally prescribed age and obtaining a valid driving licence for the respective vehicle category.

4. Other Traffic Safety Rules: No triple riding.
Follow all traffic signals and road safety regulations.
Ensure vehicle registration, insurance and other mandatory documents are valid.

5. Legal Consequences: Under Section 199A of the Motor Vehicles Act, if a juvenile commits a traffic offence:

- The vehicle owner or guardian may face a fine of **₹25,000** and imprisonment of up to three years.
- The vehicle registration may be cancelled for 12 months.
- The juvenile may become ineligible to obtain a driving licence until the age of 25 years, subject to the provisions of the Act.

School's Safety Advisory: Parents are requested to ensure that their children do not drive motorcycles or scooters without fulfilling the legal requirements. The school will strictly monitor compliance with road safety instructions at the school entrance.

We seek your cooperation in creating a safe and responsible environment for all our students.

Your child's safety is our shared responsibility.

Warm Regards

PRINCIPAL
